About the Salon

Top 2 Toe was born way back in the summer of 2010. After working in a salon for 7 years I decided to take the plunge and open up my own business. Originally called Top 2 Toe Beauty Salon it changed its name in the spring of 2020 to what it is known today.

Over the years I've really enjoyed expanding my knowledge of the industry by going to various trade shows and expanding my skill set with training from specialists in the industry. This has allowed me to introduce new products and treatments to my services.

I am a super-duper lover of all of the products I now use in my salon from doing various training courses with one of my suppliers; Sweet Squared. Thanks to them I am obsessed with CND and their supporting nail art products, am a lover of Wax:One wax and loving LashUs The Lift. I also became a specialist in Nimue skincare in Autumn 2020 which I am really looking forward to introducing to you all. Their facials and products are fantastic!

I strongly believe that my clients deserve the best and my ongoing training and high end products reflect this. I strive to treat all of you with a professional and friendly approach whether it be that you're having a treatment, purchasing a gift voucher or ordering some retail products.
